

Deneb Ikenn I. De Los Santos

Sibulan, Negros Oriental | ikenn.delossantos90@gmail.com | +639 06396 9328

I'm a Computer Engineering professional who balances technical depth with administrative versatility. I thrive under pressure—I've been recognized for my ability to deliver effective, on-the-spot solutions during high-stakes deployments and for my creative approach to system integrations. I'm a quick learner, highly adaptable, and dedicated to providing proactive, reliable support in any environment.
